

21 November 2014

**Bodycote plc
Capital Markets Day**

Bodycote plc, the world leader in thermal processing, is today hosting a Capital Markets Day for analysts and investors in London.

The event will showcase key elements of Bodycote's strategy and provide insight into the Group's technologies and activities.

Presentation materials will be available on the Group's website (www.bodycote.com) at 9.00am.

The Group issued its Interim Management Statement on 17 November 2014 and no update on trading will be provided during the event.
