From the Chairman, Mr A. M. Thomson

Dear Shareholders

As you will see from the notice of the Annual General Meeting of the Company, to be held on 27 April 2011, in addition to the ordinary business to be transacted at the meeting your Board is proposing 4 items of special business as set out in resolutions 12 to 15 an explanation of which is given on page 3 of this circular.

The ordinary business of the meeting will include, for the first time, proposals to re-elect all the Directors of the Company in line with the newly introduced UK Corporate Governance Code.

The special business relates to the renewal of the authority for Directors to allot shares; the renewal of the authority for Directors to allot shares on a non-pre-emptive basis; the renewal of authority for the Company to purchase its own shares; and the renewal of authority for the Company to call General Meetings on 14 days’ notice.

Your Board believes that the resolutions to be proposed are all in the best interests of the Company and its shareholders as a whole and accordingly recommend that you vote in favour of them. You will find enclosed a form of proxy which, to be effective, you should please complete in accordance with the instructions given and return so as to reach the Company’s registrar as soon as possible but in any event not later than 48 hours before the time of the meeting. The completion of the form of proxy will not prevent you from attending the meeting in person if you wish to do so.

Yours sincerely,

Explanations of Ordinary Business

Retirement of Directors

Under the Articles of Association of the Company each director must retire from office and stand for re-election by shareholders as a minimum at every third annual general meeting in order to continue to serve as a director. However in view of the newly introduced UK Corporate Governance Code and to further increase accountability all Directors will retire at this Annual General Meeting and stand for re-election by the shareholders if they wish to continue to serve as Directors of the Company. Accordingly, the Directors retiring and offering themselves for re-election are Mr A.M. Thomas, Mr S.C. Harris, Mr J. Vogelang, Mr D.P. Landless, Mr J.A. Biles and Dr K. Rajagopal.

Explanation of Special Business

Renewal of authority to allot shares (Resolutions 12 and 13)

The Companies Act 2006 (‘the Act’) provides that Directors shall only allot unissued shares with the authority of shareholders in general meeting. The authority given to the Directors at the last Annual General Meeting to allot (or issue) unissued shares expires on the date of this year’s Annual General Meeting.

Resolution 12 will be proposed as an ordinary resolution for the renewal of the Directors’ general authority to issue shares in the Company and to grant to Directors the power to subscribe for or to convert any security into shares in the Company up to an aggregate nominal amount of £16,932,695, representing approximately one third of the current issued equity capital of the Company (excluding treasury shares). The Directors have no present intention of exercising this authority.

The Act also provides that any allotment of new shares for cash must be made pro rata to individual shareholders’ holdings, unless such provisions are disapplied under section 570 of the Act. The authority given to the Directors at the last Annual General Meeting to allot shares for cash pursuant to section 560 of the Companies Act 2006 expires on the date of this year’s Annual General Meeting. Resolution 13 will be proposed as a special resolution for the renewal of the Directors’ authority to allot equity securities for cash, without first offering them to shareholders pro rata to their holdings. This authority facilitates issues made by way of rights to shareholders which are not strictly in accordance with section 561(1) of the Act, and authorises allotments of shares up to an aggregate nominal amount of £1,639,889 of shares, representing approximately 5 per cent of the current issued ordinary share capital of the Company.

The Directors have no present intention of exercising this authority and will not adhere to normal institutional investor guidelines if they did. This authority also allows the Directors, within the same aggregate limit, to set for cash shares that may be held by the Company in treasury.

The authorities granted under resolutions 12 and 13 will expire at the earlier of the next Annual General Meeting or on the date falling not later than fifteen calendar months from the date of these resolutions.

Purchase of own Shares (Resolution 14)

Under Article 9 of the Articles of Association the Company is empowered to purchase its own shares. The Directors consider that the power to make purchases in the market of the Company’s own shares should be maintained and accordingly recommend the approval of the special resolution set out as resolution number 14. The Directors intend to exercise this authority only where, in the light of market conditions prevailing at that time, they believe that the effect of such purchases would be to increase earnings per share. Any shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly, or held as treasury shares. The resolution specifies the maximum and minimum prices at which shares may be bought, and the maximum number of shares which may be bought, this being 10% of the Company’s issued ordinary share capital at 31 December 2010. At that date outstanding share options over unissued shares totalled 685,951 and this represented less than 0.1% of the Company’s issued share capital. In the event that the Company utilised the authority proposed by resolution 14 in full, outstanding share options would still represent less than 0.1% of the consequently reduced share capital. The company would only use such authority if it was to the advantage of shareholders as a whole.

Calling General Meetings on 14 clear days notice (Resolution 15)

Section 377A of the Act provides that a general meeting of a ‘traded company’ such as Bodycote plc must be called by at least 21 days notice, but may be called by at least 14 days notice if three conditions are met. The three conditions are:

(a) that the meeting is not an annual general meeting;
(b) that the company offers ‘the facility for shareholders to vote by electronic means accessible to all shareholders’. A condition that is met if there is a facility to appoint a proxy by means of a website; and
(c) that shareholders have approved the holding of general meetings on 14 clear days notice by passing a special resolution at the previous Annual General Meeting or at a general meeting held since the last Annual General Meeting.

The Directors consider it desirable that general meetings of the Company, other than the Annual General Meeting, can be called on at least 14 clear days notice. Resolution 15, which will be proposed as a special resolution, will authorise the Company to call general meetings other than Annual General Meetings on 14 days notice and the authority of this Resolution will expire at the conclusion of the next Annual General Meeting.

Notes on Voting and Voting Rights:

1. Any member entitled to attend and vote at the Annual General Meeting is entitled to appoint one or more proxies (who need not be a member of the Company) to attend and to vote instead of the member. Completion and return of a form of proxy will not preclude a member from attending and voting at the meeting in person, should he subsequently decide to do so.

2. Any member attending the Annual General Meeting has the right to ask any question relating to the business being dealt with at the meeting. The Company will answer any such questions unless exempted by the provisions of section 319A of the Act.

3. From the date of this notice and for the following two years the following information will be available on the Company’s website and can be accessed at www.bodycote.com:

(a) the matters set out in this notice of meeting;
(b) the total numbers of shares in the Company and shares of each class, in respect of which members are entitled to exercise voting rights at the meeting and;
(c) the totals of the voting rights that members are entitled to exercise at the meeting in respect of the shares of each class.

Any members’ statements, members’ resolutions and members’ matters of business received by the Company after the date of this notice will be added to the information already available on the website as soon as reasonably practicable and will also be made available for the following two years.

4. A form to be used for appointing a proxy or proxies for this meeting to vote on your behalf can be found enclosed with this notice and the form of proxy provides details of how to cast a vote electronically.

5. In order to attend and vote at this meeting you must comply with the procedures set out on the front page of the notice of this meeting and any further procedures to be notified to you prior to or during the course of the meeting itself.

6. Entitlement to attend and vote at the meeting and the number of votes which may be cast thereat will be determined by reference to the Register of Members of the Company at 6pm on the day which is two days before the day of the meeting or adjourned meeting. Changes to entries on the Register of Members after that time shall be disregarded in determining the rights of any person to attend and vote at the meeting. In order to be valid an appointment of proxy (together with any authority under which it is executed or a copy of the authority certified) must be returned by one of the following methods:

(a) in hard copy form by post, by courier or by hand to the Company’s registrars, Capita Registrars, PKS, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU;

(b) via www.capitashareportal.com by logging in and selecting the ‘Proxy Voting’ link. If you have not previously registered for electronic communications, you will first be asked to register as a new user, for which you will require your investor code (which can be found on the enclosed proxy form, your share certificate and tax voucher), family name and post code (if resident in the UK).

(c) in the case of CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below and in each case must be received by the Company not less than 48 hours before the time of the meeting. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment thereof by using the procedures described in the CREST Manual. The message regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent (‘CREST Host’) or by the company indicated by the timestamp applied to the message by the CREST Applications Host from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(6) of the Uncertificated Securities Regulations 2001. CREST members and where applicable, their CREST sponsors or voting service providers, will be able to take the appropriate action on their behalf. In order for a proxy appointment, or instruction, made by means of CREST to be valid, the appropriate CREST message (a ‘CREST Proxy Instruction’) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s (‘EUFI’) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message regardless of whether it relates to the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent (‘CREST Host’) or by the company indicated by the timestamp applied to the message by the CREST Applications Host from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(6) of the Uncertificated Securities Regulations 2001. CREST members and where applicable, their CREST sponsors or voting service providers should note that EUFI does not make available special procedures in CREST for any particular messages.
Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

If you are a person with information rights under section 146 of the 2006 Act you do not have the right to appoint a proxy. Any such forms returned by such persons will be ineffective. You may however have specific rights to instruct the member who granted you information rights as to how such member exercises their right to appoint a proxy.

Where the Company is required to publish such a statement on its website it may not require the members making the request to pay any expenses incurred by the Company in complying with the request, it must forward the statement to the Company’s auditors no later than the time the statement is made available on the Company’s website, and the statement may be dealt with as part of the business of the Annual General Meeting.
